

## Surrendering the Secret

*Surrendering the Secret* is a course designed to bring healing to women who have abortion in their past. Abortion is not a secret anymore; it is freely discussed in our society. Despite this openness, many women have pain and experiences that they don't feel comfortable telling anyone.

*Surrendering the Secret* allows women who need help to connect with women who can help.

If you have never shared or been counseled regarding your abortion experience, it may be affecting your quality of life. Sponsored by Northeast Bible Church, *Surrendering the Secret* offers a safe place to talk with other women who understand and to follow a guided Bible study toward healing and restoration. Confidentiality is assured.
